**Dog bin and notice board at Aston Cross:** No progress with dog bin although contact has now been made with TBC officer responsible.  
Notice board has been ordered.

**Laptop:** Jackson Computer Solutions did a remote login on the original laptop Friday 5 November. The Hp Laptop is about 6 years old. At the moment Microsoft is not allowing the Windows 11 update as the processor does not meet their spec. Windows 10 does not become obsolete until 2026.

Also demonstrated how to connect (Tether) from the work Apple phone to the Laptop, to allow some internet access. Invoice will be raised at the end of the month to allow any further support, should it be required.

**Refurbishment of street furniture in Pamington:** no further update on this

**Flooding on Natton Lane:** Nothing further to report

**Pamington junction:** I have written to Craig Freeman and Cllr Smith regarding this matter.

**Village signs** – More information is required to enable Clerk to order these. In particular, their location as this may need to be authorised by GCC Highways.

**Working groups:** Nothing to report
